

## 1. Identification

**Material name** **Versagen D**  
**Recommended Use:** Solvent

**Restrictions:** None Known

**Version #** 01  
**Revision Date** 11/6/2015  
**CAS #** 67784-80-9  
**Manufacturer** Darling Ingredients Inc.  
4221 Alexandria Pike  
Cold Spring, KY  
41076  
United States

**Telephone numbers - 24 hour  
emergency assistance** 1-800-800-4841  
**Telephone numbers - General  
assistance** 1-800-800-4841  
**E-mail** [info@darlingii.com](mailto:info@darlingii.com)

## 2. Hazards Identification

**Emergency overview** Clear liquid to light yellow tint

**HEALTH HAZARDS**  
PRACTICALLY NON-TOXIC

**FLAMMABILITY HAZARDS**  
NOT A FLAMMABLE OR COMUSTIBLE MATERIAL PER OSHA 29 CFR 1910.1200©

**REACTIVITY HAZARDS**  
STABLE

### Potential health effects

#### Routes of exposure

##### Eyes

##### Skin

##### Inhalation

##### Ingestion

Inhalation, ingestion, skin and eye contact

If irritation should occur, it is expected to be transient

Prolonged or excessive skin contact with this product may cause mild skin irritation.  
May cause an allergic reaction in some individuals.

Under normal condition, inhalation is not expected to be a problem. However,  
respirator tract irritation may occur if exposed to fumes or mists.

Ingestion of large amounts may cause gastrointestinal disturbances. May cause  
allergic reactions in some individuals.

Warning (Irritant Skin and Eyes)

### 3. Composition/information on ingredients

Components	CAS#	Percent
Alkyl C-14-C24 Methyl Esters	67784-80-9	100%
Impurities	CAS#	Percent
FREE FATTY ACIDS	Mixture	N/A
UNSATURATED	Mixture	<1.0
WATER	7732-18-5	<1
INSOLUBLE IMPURITIES	Mixture	<0.5

**Synonyms:** Fatty Acid Methyl Esters, Fatty Acid Esters

**Composition comments** Values do not reflect absolute minimums and maximums: these values are typical which may vary from time to time.

This Safety Data Sheet is intended to communicate potential health hazards and potential physical hazards associated with the product(s) covered by this sheet, and is not intended to communicate product specification information. For product specification information, contact your DarPro representative.

**Additives:**

**Hazardous concentration range:** N/A

### 4. First aid measures

**First aid procedures**

**Eye contact** Flush eyes immediately with large amounts of water. Get medical attention if irritation persists.

**Skin contact** Wash area thoroughly with soap and water. Get medical attention if irritation develops or persists.

**Inhalation** Not expected to be an inhalation hazard.

**Ingestion** Rinse mouth with water. Contact physician.

**Notes to physician** Treat symptomatically.

### 5. Fire-fighting measures

**Flammable properties** Material will burn in a fire. Treat as Oil Fire.

**Extinguishing media**

**Suitable extinguishing media** Use dry chemical, carbon dioxide or fire-fighting foam for Class B fires to extinguish fire. Water may be ineffective on fire.

**Protection of firefighters**

**Specific hazards arising from the chemical** Combustion may produce COx and other decomposition products in the case of incomplete combustion.

**Fire fighting equipment/instructions**

Evacuate area and fight fire from a safe distance.  
Use water spray to cool adjacent structures and to protect personnel. Stay away from storage tank ends. Withdraw immediately in case of rising sound from venting safety device or any discoloration of storage tank due to fire.

Firefighters must wear NIOSH approved positive pressure breathing apparatus (SCBA) with full face mask and full protective equipment.

## 6. Accidental release measures

### Environmental precautions

If material is released to the environment, take immediate steps to stop and contain release. Caution should be exercised regarding personnel safety and exposure to the released material. Notify local authorities and the National Response Center, if required.

Waste Disposal Method - Dispose of according to Federal, state and/or local regulations, not to be landfilled. Do not flush to sewer.

### Other Information

Spills can be very slippery. Liquid may be mopped-up, soaked-up with inert absorbents, or pumped. Wash floors with soap and hot water and rinse with hot water.

Absorb spill with inert material (e.g. dry sand or earth) then place in a chemical waste container. Large Spills: Dike far ahead of liquid spill for later disposal.

Stop leak when safe to do so.

See Exposure Controls. Personal Protection (Section 8)

### Emergency action

Keep unnecessary people away; isolate hazard area and deny entry. IF TANK, RALCAR OR TANK TRUCK IS INVOLVED IN A FIRE, isolate for 800 meters (1/2 mile) in all directions. Evacuate area endangered by release as required. (See Exposure Controls/Personal Protection, Section 8) Stay upwind.

## 7. Handling and storage

### Handling

Standard precautions appropriate for handling liquids

Good personal hygiene practices such as properly handling contaminated clothing, using wash facilities before entering public areas and restricting eating, drinking and smoking to designated areas are essential for preventing personal chemical contamination. do not breathe fumes or vapor. Avoid contact with skin or eyes.

### Storage

Store in tightly closed containers in a cool, dry isolated, well-ventilated area away from heat, sources of ignition and incompatibles. Avoid contact with strong oxidizers.

Empty containers may contain material residue. Do not reuse without adequate precautions.

Do not eat, drink or smoke in areas of use or storage.

## 8. Exposure controls/personal protection

<b>Occupational exposure limits</b>	Not available
<b>Engineering controls</b>	Ventilation and other forms of engineering controls are the preferred means for controlling exposures.
<b>Personal protective equipment</b>	
<b>Eye / face protection</b>	Keep away from eyes. Eye contact can be avoided by using chemical safety glasses, goggles and/or face shield. Have eye washing facilities readily available where eye contact can occur.
<b>Skin protection</b>	Avoid skin contact with this material. Use appropriate chemical protective gloves when handling. Additional protective clothing may be necessary.
<b>Respiratory protection</b>	None required.

## 9. Physical and chemical properties

<b>Physical State Form</b>	Liquid
<b>Color</b>	Clear liquid to light yellow tint
<b>Odor</b>	Light musty odor
<b>Odor threshold</b>	Characteristic
<b>Physical State Form</b>	Not available
<b>Vapor Pressure</b>	<5 mm Hg @ 72F
<b>Vapor density</b>	Not available
<b>Boiling Point</b>	>400F
<b>Melting point/freezing point</b>	-1C
<b>Solubility (water)</b>	Insoluble
<b>Specific gravity</b>	0.87 @ (25° C)
<b>Relative density</b>	Not available
<b>Flash point</b>	> 266° F PMCC
<b>Flammability limits in air, upper, % by volume</b>	Not available
<b>Flammability limits in air, lower, % by volume</b>	Not available
<b>Auto-ignition temperature</b>	Not available
<b>VOC</b>	1.7 g/L
<b>Evaporation rate</b>	Less than 0.005 @ 25 C (Butyl Acetate = 1)
<b>Viscosity</b>	4.25 mm <sup>2</sup> /s
<b>Percent volatile</b>	Not available
<b>Partition coefficient (n-octanol/water)</b>	Not available
<b>Pour point</b>	N/A
<b>Molecular weight</b>	Not available
<b>Molecular formula</b>	Not available
<b>Other Data</b>	
Chemical family	Fatty Acid Methy Esters
Density	N/A
Electrostatic properties	
Conductivity	Not available
<b>Cloud point</b>	Not available

## 10. Stability and reactivity

<b>Chemical stability</b>	Material is stable under normal conditions.
<b>Conditions to avoid</b>	Avoid unventilated areas, excessive heat, open flames, sparks and ungrounded electrical equipment.
<b>Incompatible materials</b>	Avoid strong oxidizing agents See precautions under Handling & Storage (Section 7)
<b>Hazardous decomposition products</b>	Not anticipated under normal conditions.
<b>Possibility of hazardous reactions</b>	Not anticipated under normal conditions.

## 11. Toxicological information

Routes of exposure	Inhalation, ingestion, skin and eye contact
Numerical measures of toxicity	N/A
Eye contact	Get medical attention if eye irritation persists.
Skin contact	Get medical attention if skin irritation develops or persists.
Inhalation	If breathing difficulty occurs, get medical attention .
Ingestion	Routine use of this product is not expected to cause any situation which could lead to ingestion.

## 12. Ecological information

Ecotoxicity	Material not classified as harmful to aquatic organisms. However, secondary effects such as lowered dissolved oxygen when introduced to surface water can be toxic to aquatic life.
Persistence and degradability	Readily biodegradable in the environment
Bioaccumulation/ Accumulation	This material is not expected to bio accumulate in aquatic animals.
Mobility in environmental media	Not classified in terms of mobility in air, soil and water.

## 13. Disposal considerations

Disposal instruction	This material, as supplied, when discarded or disposed of, is not a hazardous waste according to Federal Regulations (40 CFR 261). Under the Resource Conservation and Recovery Act. (RCRA), it is the responsibility of the user of the material to characterize and determine, at the time of disposal, whether the material is a hazardous waste subject to RCRA.
----------------------	--

For additional handling information and protection of employees, see Section 7 (Handling and Storage) and Section 8 (Exposure Controls/Personal Protection).

## 14. Transport information

General	BILL OF LADING - BULK (U.S. DOT): Non-regulated by DOT BILL OF LADING - NON-BULK (U.S. DOT): Non-regulated by DOT
UN number (United Nations hazardous material #)	Not a hazardous material

## 15. Regulatory information

### US federal regulations

All ingredients are on the TSCA inventory, or are not required to be listed on the TSCA inventory.

This material does not contain toxic chemicals (in excess of the applicable de minimis concentration) that are subject to the annual toxic chemical release reporting requirements of the Superfund Amendments and Reauthorization Act (SARA) Section 313 (40 CFR 372).

Check local, regional or state/provincial regulations for any additional requirements as these may be more restrictive than federal laws and regulations. Failure to report may result in substantial civil and criminal penalties.

### State regulations

Based on available information this product does not contain any components or chemicals currently known to the State of California to cause cancer, birth defects or reproductive harm at levels which would be subject to Proposition 65.

Reformulation, use or processing of this material may affect its composition and require re-evaluation.

## 16. Other information

### NFPA ratings

Health: 0

Flammability: 1

Instability: 0

### Disclaimer

NOTICE: The information presented herein is based on data considered to be accurate as of the date of preparation of this Safety Data Sheet. Adequate training and instruction should be given by you or your employees and affected personnel. Appropriate warnings and safe handling procedures should be provided by you to handlers and users. Appropriate warnings and safe handling procedures should be provided by you to handlers and users. Additionally, the user should review this information, satisfy itself as to its suitability and completeness, and pass on the information to its employees or customers in accordance with the applicable federal, state, provincial or local hazard communication requirements. This SDS may not be used as a commercial specification sheet of manufacturer or seller, and no warranty or representation, expressed or implied, is made as to the accuracy or comprehensiveness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In addition, vendor neither assumes nor retains any responsibility for any damage or injury resulting from abnormal use, from any failure to adhere to appropriate practices, or from any hazards inherent in the nature of the material. Moreover, unless an employee or a customer accesses or receives a SDS directly from the company, there is no assurance that a document obtained from alternate sources is the most currently available SDS.

### Issuer date

11/6/2015

### This data sheet contains changes from the previous version in section(s):

Handling and storage: Handling

Exposure controls/personal protection: Skin Protection

Physical & Chemical Properties: Multiple Properties
